Now, I am going to read you a list of arguments that some people made in this election AGAINST electing Dana Rohrabacher. Please tell me if you recall seeing or hearing this argument - or something similar - made in the lead-up to the recent election. Did you see or hear this argument?

	Yes	No	(DK/Ref.)
• **[OUT OF TOUCH]** After thirty years in Washington, Dana Rohrabacher is out of touch. Rohrabacher said people should not have to sell houses to gay people and that schools would be safer from gun violence if we trained students to use firearms.	71%	26	3
• **[CAREER POLITICIAN]** Sometime during his thirty years in Washington, Dana Rohrabacher started serving himself. He voted twenty-one times to raise his own pay, charged taxpayers $1,000 a month for a pricey car lease, and took more than $600,000 in taxpayer-funded trips.	70%	27	4
• **[SMOKE & FIRE]** While it gets hotter and fire and smoke choke our air, Dana Rohrabacher is radically opposed to efforts to fight climate change. He says that "global warming is a fraud." Rohrabacher sided with fossil fuel companies and voted against a plan to reduce carbon dioxide pollution, saying they don't hurt people's health.	67%	30	3
• **[HEALTHCARE]** Dana Rohrabacher voted for the Republican health care plan that imposes what the AARP calls an age tax. Premiums for older people could jump to five times the amount insurers charge younger consumers. Why did he vote that way? Rohrabacher took over $300,000 from insurance companies and financial interests.	48%	49	3
