

AFTER SERVING HIS COUNTRY IN COMBAT,

Dan McCready went on to start a small solar business.

As a **Marine** and as a **green business owner** who created hundreds of solar jobs, Dan has always put country and community first. In Congress, he'll be a leader who puts country over party by working across the aisle to get things done.

Dan McCready is a former member of the United States Marines. Use of his military rank, job titles, and photographs in uniform does not imply endorsement by the Marines or the Department of Defense.

**AFTER SERVING SPECIAL INTERESTS
IN THE STATE HOUSE, POLITICIAN
DAN BISHOP WENT ON TO SERVE
SPECIAL INTERESTS IN THE STATE
SENATE TOO.**

Bishop's campaign took thousands from big oil and gas and voted to let them pollute our air, which could make kids sick.

And if you do get sick, **Bishop voted against** a bipartisan bill to lower prescription drug prices. He's everything that's wrong with Washington.
