<p>Lucas St. Clair Democrat for Congress</p> <p>Lucas St. Clair Stand Up to Donald Trump</p>	<p>It’s why Lucas Saint Clair will stand up to Donald Trump’s dangerous policies -- like drilling off our coast.</p>	<p>Trump Administration Plan Would Allow Oil Drilling In Nearly All Waters Off The U.S. Coast. On January 4, 2018, Fortune Magazine reported: “The Trump administration plans to allow oil drilling in nearly all waters off the U.S. coast, according to a proposal unveiled Thursday. The Trump offshore drilling plan would let oil suppliers drill in protected areas of the Atlantic and Arctic Oceans — places where governors, attorneys general and lawmakers along the East and West Coasts oppose offshore drilling.” [Fortune Magazine, 1/4/2018]</p>
<p>Lucas St. Clair Protect Maine</p>	<p>Fight to protect our environment.</p>	<p>Lucas St. Clair: “It Is Critical That We ALL Speak About The Dangers Created By Drilling For Oil Off Maine’s Coast.” In a Marcj 8, 2018 post on Facebook, Lucas St Clair said: “It’s critical that we ALL speak out about the dangers created by drilling for oil off Maine’s coast. Offshore drilling puts at risk our fishing and lobstering industries, tourism and our clean water and clean air. Plus, we should be moving away from fossil fuels, not expanding dangerous drilling operations.” [Lucas St Clair For Congress Facebook post, 3/8/2018]</p>
<p>Lucas St. Clair Grow Fishing, Farming, Forestry Economies</p>	<p>And grow our fishing, farming, and forestry economies.</p>	<p>Lucas St Clair Calls For Investments In Maine’s Rural Economy, Including Forests, Fishing, And Farming. On the issues page of Lucas St Claire’s website, St Clair says he wants to “Create a rural economic revival by investing in innovation in Maine’s traditional, core industries: working forests, fishing and farming.” [https://stclairforcongress.com/content/jobs-and-economy]</p>

		<p>Lucas St Clair Supports Tax Reform That Supports Small Businesses And Farmers, “The Real Job Creators In Maine.” In November of 2017, Lucas St Clair posted on Facebook: “Real tax reform would offer a hand to working families, small businesses and farmers, who are the real job creators in Maine. The tax plan in Washington is nothing more than a scheme to further stack the deck against working people. The scheme that Congressman Poliquin voted for today leaves Maine behind, while benefitting big corporations and the super wealthy, who need tax cuts the least.” [Lucas St Clair For Congress Facebook post, 11/16/2017]</p> <p>Lucas St Clair Supports The Clean Power Plan And The Paris Climate Accord to Protect Maine’s Fishing Industry. In a May 23, 2018 post on Facebook, Lucas St Clair said: “Fighting climate change is about more than just protecting the environment. It’s about making sure that people can continue to live and work, that we have enough food to eat. This new study clearly outlines the terrible risk faced by Maine’s fishing industry if we don’t take action now. We must: Reduce our use of fossil fuels, improve energy efficiency and invest in renewable energy. What can Congress do? Support the Clean Power Plan, protect stronger emission standards and lead the US back into the Paris Climate Accord.” The facebook post linked to an article in the Portland Press Herald titled “Climate Change To Have Drastic Effects On Gulf Of Maine Lobster And Clam Fisheries, Studies Say.” [Lucas St Clair For Congress Facebook post, 5/23/2018; Portland Press Herald, 5/23/2018]</p>
